ACCEPTANCE OF OFFER OF ADMISSION

Iaccept the offer of admission for my
wardinto your institution as a Day/Boarding student.

I have read the code of discipline for students of Senior High/Technical schools with my ward and
we both promise to abide by the rules and regulations of the school

I together with my ward also understand that the school has additional by laws aside the unified
code of discipline governing students behaviour in the school and that these by laws have to be
followed.

As a parent, I promise to once in a while pay a visit to my ward to get firsthand information about
the conduct of my ward. The school shall also contact me on any issue regarding my ward's stay in
the school through the phone number provided below.

Should my ward fall short of the rules and regulations of the school, the necessary disciplinary
actions **shall** apply without fear or favour.
